

Karumba

Continuous

Wide Width

Sun Smart

Karumba; is a refined, abstract geometric jacquard that balances texture, structure, and natural warmth. Woven from a premium polyester-cotton blend, this 300 cm wide fabric showcases a contemporary interpretation of Aztec-inspired geometry, creating a rhythmic pattern that adds a sense of depth and artisanal character. The design can be railroaded for seamless drapery applications, offering both visual interest and versatility across a range of interior styles. Available in five nature-inspired colourways: Hemp, Lichen, Walnut, Chestnut, and Mangrove Karumba bridges the connection between the natural environment and sophisticated design. Its tactile surface brings warmth and dimension to any space, whether relaxed and coastal or refined and modern. Delivering both performance and personality, Karumba makes the search for a stylish, enduring fabric refreshingly simple. Ideal for residential applications, Karumba has been tested to FR standard AS/NZS 1530.3.
